

Course Code	Course Name	Duration	Cost p/p Inc GST	Competencies Delivered from Training	Pre-requisites
EXTL_INT1000	Electrical Safety Rules Initial (Contractors)	1 day (8 hours)	\$ 401.63	Electrical .Certificate of Attendance.Proof of attending the initial ESR course UETTDRRF01 - Apply ESI sa fety rules, codes of practice and procedures for work UETTDRRF09 - Apply access procedures to work on or near electrical network infrastructure	No Pre-requisite
EXTL_REF1000	Electrical Safety Rules Refresher (Contractors)	4 hours	\$ 204.93	UETTDRRF01 - Apply ESI sa fety rules, codes of practice and procedures for work UETTDRRF09 - Apply access procedures to work on or near electrical network infrastructure	Completion of Initial training and/or refresher course within 2 years
APR0068	Access Permit Recipient Restricted (APR)	1 day (8 hours)	\$ 401.63	Network Operator.Access.Proof of attending the initial Access Permit Recipient Restricted course Network Operator.Access.APR0068 - Ausgrid - Access Permit Recipient (Restricted)	Current Electrical Safety Rules and completion of initial APR training and/or refresher course within 2 years.
APR_REF	Access Permit Recipient (APR) Restricted Refresher	3 hours	\$ 204.93	Network Operator.Access.APR0068 - Ausgrid - Access Permit Recipient (Restricted)	Current Electrical Safety Rules and completion of initial APR training and/or refresher course within 2 years.
CS1007B	Disconnection and Reconnection of Installations	1 day (6 hours)	\$ 401.63	Network Operator.Access.CS1007B - Ausgrid - Disconnection and Reconnection of Installations	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
QUAL0066	GIS Map Reading	4 hours	\$ 204.93	Network Operator.Certificate.QUAL00066 - GIS Map Reading	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
SC1000A	Substation Entry	4 hours	\$ 204.93		Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
EXT_SC1100A	Working Near or Around Underground Cables	4 hours	\$ 204.93	Network.Operator.certificate.SC1100A - Worki ng Near or Around underground cables	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
TTDO1653	Application of LV OH Shorts	1 day (8 hours)	\$ 401.63		Electrical Trade Qualification Electrical Safety Rules – completion of Initial training and/or refresher course within 2 years Neutral and Phase Identification (UETDRMP011 or TTGE1574) Provide Cardiopulmonary Resuscitation –HLTAID009 Provide First Aid in an ESI environment – UETDRMP010 Perform Pole Top Rescue – UETDRMP006 Perform EWP Rescue – UETDRMP005 Perform EWP Controlled Descent escape – UETDRMP004 NSW High Risk Licence – Operate a boom type elevating work platform (> 11m) Work safely near live electrical apparatus as an electrical worker or ESR Elective Mobile Plant Pre-Climb Safety Inspection
TTDO1804C	Application & Removal of Overhead HV Access Permit & Working Earths	1 day (8 hours)	\$ 401.63	Network Operator.Certificate.TTDO1804 - Ausgrid - Erection of Earths	Electrical Trade Qualification Electrical Safety Rules – completion of Initial training and/or refresher course within 2 years Neutral and Phase Identification (UETDRMP011 or TTGE1574) Provide Cardiopulmonary Resuscitation –HLTAID009 Provide First Aid in an ESI environment – UETDRMP010 Perform Pole Top Rescue – UETDRMP006 Perform EWP Rescue – UETDRMP005 Perform EWP Controlled Descent escape – UETDRMP004 Application of Temporary Insulation (M1570) NSW High Risk Licence – Ooperate a boom type elevating work platform (> 11m) Work safely near live electrical apparatus as an electrical worker or ESR Elective Mobile Plant Pre-Climb Safety Inspection

TTDO1809	Pole Safety Inspection	4 hours	\$ 204.93	Network Operator.Certificate.M1809 - Ausgrid - Pre-working aloft procedures (NS146)	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
TTDU2170	Pit Entry	1 day (8 hours)	\$ 401.63	Network Operator.Certificate.M2170 - Cable Pit Safety and Awareness	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years Provide Cardiopulmonary Resuscitation – HLT AID009 Provide First Aid in an ESI environment – UETDRMP010 Perform rescue from a Live Low Voltage Panel – UETDRRF06 Ausgrid EXT_SC1100A_INT “Working near or around underground Cables” Confined Space Entry Training
VOC - RTLW	RTLW Standing Poles (Contractors)	1 day (8 hours)	\$ 401.63		HRWL C2 or higher HRWL DG (if they fulfil the role as Dogman) OHS General Induction for Construction ESR Elective – Mobile Plant – if they have not attended a refresher course since 1st December 2022, this can be completed on the day of training ESR Initial or ESR Refresher
M1570	Application of Temporary Insulation for LV Mains (Insulating LV Mains)	4 hours	\$ 204.93	Network Operator.Certificate.TTD01570 - Ausgrid -Application of temporary insulation	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
TTDO1400	Streetlight Servicing Worker	1 day (8 hours)	\$ 401.63	Network Operator.Certificate.M1400 - Street light Servicing Worker Electrical	Electrical Trade Qualification Electrical Safety Rules – completion of Initial training and/or refresher course within 2 years Neutral and Phase Identification (UETDRMP011 or TTGE1574) Provide Cardiopulmonary Resuscitation – HLT AID009 Provide First Aid in an ESI environment – UETDRMP010 Perform Pole Top Rescue – UETDRMP006 Perform EWP Rescue – UETDRMP005 Perform EWP Controlled Descent escape – UETDRMP004 NSW High Risk Licence – Operate a boom type elevating work platform (> 11m) Work safely near live electrical apparatus as an electrical worker or ESR Elective Mobile Plant Pre-Climb Safety Inspection
M2325B	Triple End Seal	1 day (8 hours)	\$ 401.63		Ausgrid EXT_SC1100A_INT “Working near or around underground Cables”
AMGS0001	Field Recording of Network Assets	2 days (16 hours)	\$ 803.26	Network Operator.Certificate.AMGS0001 - Field Recording of Network Assets	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
TTDO1506	Height Measurement using Telescopic Operating & Height Measure Stick	2 ½ hours	\$ 204.93		Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
ASSET_INSP	Asset Inspection	3 days	\$ 1,204.89	Network Operator.Certificate.M1425 - Pole Inspection and Treatment	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
TTD01374	Introduction to Overhead Lines	2 day	\$ 803.26	Network Operator.Certificate.TTD01-374 - Introduction to overhead line components	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
TTD01374	Routine Overhead Line Inspections	2 days	\$ 803.26	Network Operator.Certificate.TTD01375 - Line inspection	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years Introduction to Overhead Lines TTD01374
TTPO0003	Private Mains Bushfire Risks	1 day	\$ 401.63	Network Operator.Certificate.TTP00003. - Private Pole and Aerial Mains Inspection: Bushfire Risks	Electrical Safety Rules - completion of Initial training and/or refresher course within 2 years
